# Gentle Reminder

Participants can choose their own start time and place, but partially there is a chance at the check point **is closed to the public at night**

The game will end automatically when the time limit is over. The team can also end the game at any time by pressing the “end” button.

Please ensure the smartphones have adequate batteries and data for the race. **Once login and start the game, it is not allowed to switch to another smartphone device.**

If any technical problems occurred during the competition, you can reboot the app. Quitting the app will not end the game automatically, however the timer will continue to count.

If you are unable to clock in or complete the task due to technical problems, please take a photo or a screenshot to record it and contact us by email after the competition. The score will be adjusted on a case-by-case basis.

Please keep the road smooth and courteous during the race to avoid harassment of road users

During the race, please pay attention to the weather conditions and your own safety, plan the route according to the team members' ability, and reserve rest time on the way

Please keep the place clean during the race and encourage attendees to bring their water bottles and towels. Let's join environmental protection.
